What is Dual Credit?

- Gives students a head start on their post secondary education;
- Earn high school credits and post secondary credits at the same time while still in high school;
- Opportunity for students to complete up to one semester of post secondary prior to graduating from high school;
- Tuition free to the student.

Business Administration Diploma Program

NorQuest College - Wetaskiwin Regional Public Schools is partnering with NorQuest College to offer courses from the Business Administration Diploma program through dual credit.

Overview - Students will have practical learning experiences with unique content for a truly different business program. The practical and intensive training throughout the program helps graduates become in-demand job candidates.

Program Length - Students will complete Business Administration courses that will be scheduled in their high school day.

Career Potential - Graduates of Business Administration can find employment in the private or public sector, in small business, government, banking, insurance, not-for-profit organizations, retail, hospitality, oilfield, construction, and other industries.

What Your School Will Do

- Assist interested students in dual credit to register for the Business Administration courses.
- Ensure teaching by a NorQuest instructor.
- Complete courses with support from a school facilitator.
- Provide access to help and confirmation of learning via web conferencing.
- Support students to manage high school admission requirements for the Business Administration Diploma program.
- Ensure success for committed students.

"If you don't step forward, you're always in the same place."

Achieve 15 credits, or 5 courses, of post secondary in high school.
