

**Wetaskiwin Regional Public Schools**  
**2019 SUMMER SCHOOL**  
**Outdoor Education (WLD)**

Earn FIVE Credits

- **Outdoor Survival Skills**
  - **Compass and Celestial Navigation**
- **Shelter Building**
- **Map and Topography reading**
- **Outdoor Cooking**
- **Ecosystem and Environmental Awareness**

In 9 days, students will have the opportunity to participate in a wide variety of outdoor and environmental learning. Direct instruction coupled with the opportunity to have hands on experiences in the outdoors will provide success in the course allowing students the opportunity to complete 5 credits. To bring all the learning together, at the end of the course, students will have the opportunity to camp overnight. They will be asked to demonstrate all of their learning by gathering supplies, navigate to the camping location, make shelter, make fire, cook food, navigate by the stars and environmental stewardship.

This course is open to any grade 10-12 high school students who wants to jump start their high school education or simply needs to secure this course for graduation. This course will be offered over a 9-day period beginning July 2 and concluding July 12. The final exam for this course will be the overnight camping trip, where students are able to demonstrate their learning.
