Alberta Education states, “C.T.S. is designed for high school students so they can explore their interests and career options. C.T.S. offers students opportunities to develop skills that can be applied in their daily lives and improve their employability following high school.” Cosmetology involves the science of improving beauty through the treatment and care of nails, skin and hair.

In just 21 short days, students will have to attend a class/lab based learning environment to complete 5 credits in cosmetology. As a cosmetology student you are given the option to take a couple different directions with this program. The first one listed COS1010, COS1020, COS2010, and COS3020 is designed for students interested in roping, knotting, braiding and long hair styling. The second option COS1010, HSA3400, HSA3420, HSA3450 and COS 1020 is designed for students wanting to learn the basics in hair and scalp care, hair styling and haircutting. The last option is credit recovery is designed for students requiring extra credits in cosmetology.

Cosmetology is open to any grade 10-12 high school students who wants to jump start their high school education or simply needs C.T.S. credits for graduation. This course will be offered over a 21 day period beginning July 2nd and concluding July 30th. There is no final exam for this course.
