Youth programs

Junior Leader Program (volunteer) 12 – 15-years-old

We're looking for energetic youth that want to gain experience, add to their resumes, and enjoy a whirlwind summer with our summer programs. In the revamped, volunteer Junior Leader Program participants will assist with games, crafts, swimming, and field trips in our pre-school and children's programs. The program will also focus on training youth with employable skills, such as emergency First Aid and hands-on experience working with children and leading recreational programs.

Potential junior leader volunteers will need to submit a resume by June 7, 2013 to guest services and commit to attending an orientation session the end of June. Volunteers in this program will receive LRC rewards. For more information, contact the summer program supervisor by email jnakonechny@leduc.ca or call 780-980-8461.
