Transportation will be provided for students within the City of Wetaskiwin on the following basis:

- **Eligible students** (those who live further than 2.4 kilometers from the school to which the Board would direct them), will be served first at no cost; those students who were registered in a Wetaskiwin Regional Public School last year and were eligible for bussing will be planned for again this year. Bus passes for eligible students will be available at the school upon registration.

Reminder: students will be expected to produce their bus pass upon entering the bus.

- **Non-eligible students** (those who live closer than 2.4 kilometers from the school they are directed to or to the school of their choice) will be served next, on a first come - first served basis, for an annual fee of \$400.00 per student (\$800/family maximum) in grades 1-12 or \$200.00 per ECS student. Registration for bussing of non-eligible students will be confirmed upon receipt of the applicable fee.
