

March 2020

Dear Parents of Prospective Kindergarten Students:

The Wetaskiwin Regional Public Schools share a common vision of fostering pride, respect and success for our students. Kindergarten is an important milestone and the beginning of a lifelong learning journey. Your child has a promising future ahead and we hope you will give us an opportunity to nurture his or her social, physical, and intellectual growth.

Thank you for inquiring about our ***Getting Ready for Kindergarten*** information package. Please complete the forms and return them along with a copy of your child's birth certificate on your school's kindergarten open house evening.

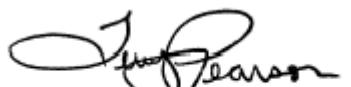

To be eligible to attend Kindergarten, children must turn 5 years of age before December 31, 2020.

Resident students are strongly encouraged to attend the school designated for the attendance area in which they reside. If you require information about which school attendance area you reside in, or have questions about transportation please contact Mr. Billie Loiselle, Transportation Manager 780-352-6018.

If you are considering applying to a school outside your present school attendance area you will be required to complete an Application for Admission to a School of Choice Form 305-1, the exception to this would be if you are considering French Immersion or Year Round programming at Ecole' Queen Elizabeth School. The Application for Admission to a School of Choice form 305-1 is available on our website <https://www.wrps11.ca/programs/kindergarten2/2019-kindergarten-registration> or you can request it from the school.

For further information contact the school directly.

Sincerely,

Dr. Terry Pearson
Superintendent of Schools
