Wetaskiwin Composite High School Students Achieve 100% on Diploma Exams

Wetaskiwin Composite High School teacher Ms. Charlene McFeely was very proud of two of her students, Megan Lethbridge and Courtney Cook who both earned 100% on their June Diploma Exams. The diploma exam covers the entire course content and counts for 50% of the students' final mark.

The Board invited Megan Lethbridge who was awarded 100% on her Science 30 Diploma Exam and Courtney Cook who was awarded 100% on her Biology 30 exam to attend the November 26th, 2013 Board Meeting.

Board Chair Deanna Specht presented both students from the Wetaskiwin Composite High School with an award of \$100 each, in recognition of this achievement. It is the practice of the Board to award Wetaskiwin Regional Public School students who achieve 100% on diploma examinations with a \$100 cheque in recognition of their accomplishment.

Both of the students recognized their teacher Ms. Charlene McFeely as being a strong influence in enabling them to achieve their marks.

"It is evident that Megan and Courtney have truly discovered, developed and acted upon their potential," stated Board Chair Deanna Specht. "Mrs. McFeely's enthusiasm and commitment to her students is also to be commended; thank you Charlene for *inspiring students to become the best they can be*" concluded Ms. Specht.
