Create a New Parent Account

Some parents will not have to manually create a parent account. If your school district is using an existing parent portal, like PowerSchool Parent Portal, your parent account and attached children will automatically be linked with the online payment website.

Adding Fees to the Cart

Mandatory school fees may or may not already be in a parent's shopping cart. These settings are determined by the school district and will vary.

The screenshot shows the Rycor School Online Payments interface for a student named Matthew McKinney (ID: 2749474, Grade: 12). The interface includes a navigation bar with tabs for Summary, Ian, Kristen, Matthew (selected), and Sarah. There are also links for Edit Settings, Students, and My Orders.

The main section displays the student's name and a summary of fees:

SCHOOL FEES	ADDITIONAL ITEMS	TOTAL DUE
\$205.00	\$0.00	\$205.00

A yellow banner states: "School Damage Deposits are refunded when withdrawal paperwork has been submitted to the office or the student successfully graduates from grade 12."

Below this, there are links for [School Fees Due Now](#), [Future Charges](#), and [Paid](#).

The "School Fees Due Now" section lists various fees with their amounts and due dates. A table summarizes these fees:

Item	Amount	Due Date	Status
School Damage Deposit	\$75.00	16-Apr-2012	In Cart
Hot Lunch Program	\$75.00	27-Apr-2012	Add to Cart
Registration Fee	\$45.00	27-Sep-2012	In Cart
Biology 12 - Lab Fee	\$15.00	23-Oct-2012	In Cart

Learning Resource Fee	\$55.00	21-Aug-2013	In Cart

The total due for these fees is \$489.00.

The "Additional Items" section shows two optional items that can be added to the cart:

- Noon Hour Supervision Fee** (2013/2014)
- Yearbook Fee** (2013/2014)

Numbered callouts 1, 2, and 3 highlight specific features: 1 points to the "In Cart" status, 2 points to the "Add to Cart" buttons, and 3 points to the "Additional Items" section.

1. Fees that say **In Cart** will contribute to a student's outstanding balance.
2. Fees that have the **Add to Cart** button next to them must be added to the cart before they can be paid for. As soon as you click on the Add to Cart button, the CART total will automatically update to reflect the new balance.
3. Fees that appear as buttons in the **Additional Items** area are optional and must be added to the cart before they can be purchased. After you click on the button, a confirmation box will pop-up and prompt you to add the fee to your cart.

Viewing the Cart

After you have added all fees to your shopping cart, click on **View Cart** in the top right-hand corner of the screen to review your cart. Depending on the payment settings of your school district, you may, or may not be allowed to remove mandatory fees from your cart. If you see **remove** buttons next to each fee, you can click on them and your Student Total will adjust accordingly. Once you are ready to make payment, click on the **Pay Now** button.

ACH Check Payments (USA only)

What is ACH e-Check?

The Automated Clearing House (ACH) Network is a secure electronic funds transfer system. This network provides for the interbank clearing of electronic payments for participating depository financial institutions.

For ACH processing, a customer (parent) authorizes the merchant (school district) to automatically retrieve payments directly from their checking or savings account for deposit into the school district's merchant account.

How does ACH work?

When you visit the Acorn Online Payments website and are ready to pay for school fees, you simply supply your bank account details (routing number and checking account number). The merchant account provider, Moneris, will then submit the transaction to the Federal Reserve, who will then credit or debit your bank account.

Interac Online Payments (Canada only)

When you are ready to checkout, you can select the Interac Online payment type if this option is available to your school district. After clicking on the **Submit Payment** button, you must then choose a Financial Institution. Once you click on your Financial Institution, you will be brought to their online banking page and must log in to your bank with your regular online banking username and password.

If you do not bank with one of the financial institutions below, you will not be able to pay with Interac Online. Please note that Interac Online acceptance is determined by individual financial institutions and NOT by the School District, Rycor Software or Moneris.

Check your E-mail for Online Payment Receipt

After you have successfully submitted your payment, you should check your e-mail for an electronic receipt that will look similar to the image below.

The email will be sent from **StudentQuickPay.com** and the Subject will be 'School Payment Receipt/ Confirmation'.

If you do not receive an e-mail within half an hour of payment, you should first check your Spam folder and also ensure that you are checking the correct e-mail account that is attached to your online payment parent account.

If the receipt is not in your Spam folder and you are certain you are checking the correct e-mail account, please click on the link for **Technical Support for Parents** located at the bottom of every online payment page and send an e-mail to the address provided.
