HOPE MISSION RECOGNIZED FOR THEIR UNWAVERING SUPPORT TO LOCAL STUDENTS

October 19, 2015 – There are members in every community that we just can't help but notice. These are the people and organizations who devote time, resources and their energy to help make our communities a better place for children. The Hope Mission is no exception to this statement. As instrumental contributors to the Public Schools in Wetaskiwin, the Hope Mission has been selected to receive the Public School Boards' Association of Alberta Special Contribution to Public School Education Award. Hope Mission was nominated by Wetaskiwin Regional Public Schools.

The Hope Mission has become an invaluable support service to the students of Wetaskiwin Public Schools through their open heart and open mind approach used to address the individual needs of the students.

Barb Johnson, Board Chair of Wetaskiwin Regional Public Schools expresses Hope Mission's involvement in the community as follows, "The level of support that the Hope Mission has provided to the students in our schools is unprecedented. Whether it be with emergency lunches, the Kids in Action program or their Horses of Hope program, we simply cannot express enough gratitude to Hope Mission for their unwavering commitment to the families and communities served by our Public Schools."

Hope Mission's contribution to Public School Education will be recognized in Edmonton at the Public School Boards' Association of Alberta's Annual General Meeting on Friday, October 23rd, 2015.
