FOUNDATION STATEMENTS

Vision

A learning community that nurtures hope and inspires a sense of purpose for all.

Mission

A culture of continuous learning where students are safe to cultivate individual potential.

Beliefs

1. Our students will receive a quality education in a culture that is inclusive, supports mutual respect, celebrates diversity, and respects the dignity of those we serve and for those who serve.
2. Our students achieve their full potential and actively participate in their learning.
3. Our staff values growth and development of their skills in a collaborative environment to engage students in their learning.
4. Our parents and communities have a major supporting role to play in the education of our students.
5. Our stakeholders are involved in cooperative and collaborative decision-making.
6. Our Board honours individual beliefs, practices, customs and rituals that are deeply personal and embedded in virtually all cultures and traditions, which provide guidance for principled living.

Board Priority

To increase the rate of high school completion.

Interpretation of the WRPS Logo

The logo is the human depiction of the work done in the Division. The images of the children represent students and the promise and potential inherent in all youth.

The color green is associated with nature; it represents the potential and vibrancy of youth - one of our greatest resources. Blue, a color associated with sky and water, compliments the green and conveys a sense of promise, potential and the future.
