Student Leadership 2013 a Huge Success

Wetaskiwin Composite High School leadership students planned and delivered the 2nd annual SLIC (Student Leadership Initiative Conference) on April 30, 2013, at the Wetaskiwin Drill Hall.

Two hundred and sixty students from Grade 4 to Grade 12 and forty adults from fourteen WRPS sites took part in activities based on leadership styles and trust.

All worked on their team building skills, confidence, problem solving and learned everyone is important in leadership and has talents to share.
The morning had participants actively involved with their table groups.

The afternoon was led by Wayne Lee (hypnotist). He motivated student to set goals, believe and act as those goals will be achieved.

Student and staff feedback indicated --
“It was awesome!!”

The Wetaskiwin Regional Public Schools Student Leadership Initiative Conference would like to thank the City of Wetaskiwin FCSS, County of Wetaskiwin FCSS, and Imagine Graphix Inc. for financially assisting this year’s conference.
