Norwood School Raises Funds for Habitat for Humanity

Norwood School held a *PJ Day for Habitat* on Friday, June 7th. For the cost of a toonie, the students and staff could wear pajamas to school and the proceeds collected ($104) were given to Habitat for Humanity for the next Wetaskiwin Project. The toonie represents $1 for each door of the new duplex which will be on 56th Avenue. The build is to start in late July.

Habitat for Humanity Secretary Lynn Croft accepts proceeds collected from Jodie Mattia, Principal of Norwood School

Students enjoyed wearing P.J.’s to school in support of Habitat for Humanity.
