Is your School Council being represented?

Council of School Councils allows your School Council to have input on educational issues of importance to the Wetaskiwin Regional Public Schools Board of Trustees.

Each School Council / Parent Advisory Group should elect a representative.

C.O.S.C. Membership

- The Council executive consists of a minimum of one Parent or member of the public representing each of the eighteen Wetaskiwin Regional Public Schools, elected or appointed by their individual School Council or Parent Advisory Group

- Wetaskiwin Regional Public Schools Board of Trustees representation; Board Chairman or designate

- Superintendent of Schools or designate

- The general membership of Council of School Councils shall be any parent of a student enrolled in Wetaskiwin Regional Public Schools, and any other educational stakeholders

Our Mission

The Council of School Councils’ Mission is to provide a means of communication between School Councils and the Board of Trustees.

Our Vision

The Council of School Councils shall actively support Wetaskiwin Regional Public Schools in their vision to education and care for students, staff and community in a safe nurturing environment.

Our Objectives

To provide input to the Board on issues of importance; such as Wetaskiwin Regional Public Schools philosophy, mission, school policies, programs, and budget allocations.

To stimulate continuous improvement through meaningful involvement of all members of the school community.

To facilitate communication among all members of the School Community and promote an approach to schooling in which decisions, at the Board and school are made in a collaborative manner.

Connection

Council of School Councils encourages all School Councils to become members in the Alberta Home and School Councils Association (AHSCA).

Membership enables access to the Alberta Home and School Councils Association resources and services.
