LOGOS Mission Statement
That students, taught in a spiritually nurturing, intellectually challenging and disciplined environment, acquire the knowledge, attitudes, skills and training necessary to seek after “whatsoever things are true”. That, sustained by Christ’s teaching and God’s love, students may develop binding commitments to their families, neighbours, county and the global community while leading moral, healthy and productive lives.

I understand and accept that:

- The Logos Program adheres to the Alberta Curriculum and is accessible to all students who would normally be enrolled in a regular classroom setting.
- The Logos Program is a program for the 2012-2013 school year and students once committed to the program, are expected to remain in the program for the school year unless there are extenuating circumstances.
- The program will only be offered providing there is sufficient student enrolment.

I ________________________________ agree to and support the Logos mission statement and program.
