Due to numerous reports of students standing on moving buses we thought we would share this information with you.

As per Commercial Vehicle Regulations:

- **Standing, etc., in school bus**
  
  When a school bus is used for a purpose under section 19, to transport students to and from school, no person shall
  
  (a) stand in the school bus,
  
  (b) get up from that person’s seat in the school bus, or
  
  (c) embark onto or disembark from the school bus while the school bus is in motion.

  *The fine for this is $230.00*

Section 30 AR 121/2009 COMMERCIAL VEHICLE SAFETY REGULATION 22

Right-Side Turnaround

The right-side turnaround is the safer of the two but both, while necessary in certain situations, should be avoided as much as possible. When a turnaround is required, remember that it is extremely dangerous to back from or onto a main road. Never back out onto a provincial highway (any numbered highway) as this procedure is ILLEGAL.
